

November 30

AN ADVENT ADVENTURE: During these weeks of Advent, students and staff have chosen to take an Advent journey on the "Road to Holiness." We will be praying to the Lord to OPEN OUR EYES, OPEN OUR EARS, OPEN OUR HANDS, and OPEN OURSELVES to the world around us. Next week, Lord, OPEN OUR EYES to take in the wonder of a lit candle. A candle is a small light in the darkness. As we go on our journey that bright flickering light guides us on our path. Students and staff will visit church; each teacher with one student from their class will light a candle. We will all pray for our classroom Prayer Partners that Jesus gives them much comfort during this Advent season. How amazing and wondrous it will be to see so many candles shining brightly!

**** We will be collecting hats, mittens, and gloves for those in need during this Advent season. Thank you!**

WEEK 1

Lord, open my eyes ...
